Subject: San Jacinto/Waste Management Meeting Request
Date: Wednesday, February 24, 2016 11:01:00 AM

Representatives of MIMC/Waste Management would like to meet with Carl. They were hoping to come March 10 in the morning. Please check with Carl and let me know, as their attorney, Al Axe, is trying to help set up the meeting. If that time doesn't work, perhaps we could suggest some other times.

Thank you.
